

A Winning Team: Kelley School of Business and the NFLPA

The Kelley Model

Blend of non-credit and credit courses in a **customized package** with many options designed to get you where you want to go.

Learn a little, or learn a lot, from one of the leading business schools in the U.S.

Webinars

Build knowledge and practical skills, including personal finance, real estate, and wealth management

Business Certificates

Demonstrate a mastery of key business areas through credit courses

Professional Courses

Develop skills and competencies in contemporary business topics through short non-credit courses

Business Degrees

Enhance professional development and target a career path that's right for you through an MBA or an MS in a business area

CERTIFICATE PROGRAMS

- Specialize in an area relevant to today's business world
- Delivered online
- Four courses totaling 12 credits
- Credits can migrate to the degree program if you want to go the distance

ONLINE MBA FOR THE NFLPA

- Learn anywhere: Offered in a blend of online and in-person instruction from **Kelley's #1 Online MBA program**
- Average of 24 months to 36 months in duration, customized to meet your needs and schedule
- Access to executive career coaches
- MBA degree—45 credits
- MS degree in a business area (Strategic Management, Finance, Marketing or Business Analytics)—30 credits
