

FAQs | Sharing Collection Content

Can I post a photo or video of the white slip notifying me of a drug test?

No.

Can I post screenshots of text messages with my drug tester?

No.

Can I post a photo, video, or audio from inside the drug testing room during collection?

No.

Was it previously against the rules to publicly post such content?

Yes, it was prohibited. However, there was no clearly defined disciplinary framework, which meant the league had the discretion to impose fines that could have exceeded \$15,000.
